

The newest installment of the Narcissu series

STORY

Sumire has been a shutin since she was 12 years old.

She sits, locked in her room, playing games all day long.

10 years later, it is decided that she is to go to the 7th floor.

Looking back, she had no friends.
Had no memories.
Had nothing but the reality of dying.
She has nothing but regrets.

On the 7th floor, she reunites with a girl named Akari.

-- Sumire decides to entrust to her the proof that she had lived...

About This Content

The season pass includes the following DLC:

- Narcissu: A Little Iris - A side story set in medieval Europe, exploring what it means to desire to live, or die.
- Narcissu: Zero - The origin story of the 7th floor hospice and its rules.
- Narcissu: Sumire - An entirely new chapter in the series, it tells the tale of two girls who cross paths: one dying and the other desiring death, both filled with profound regrets about their respective lives.

-
- Narcissu Anthology Soundtrack - the 2-disc Soundtrack for the entire series, in fully lossless FLAC format

Narcissu Side Story

Narcissu's theme of life and death comes to a new stage in a complete side story.

STORY

The middle ages.

Iris was born to the lord of a small, rural village

All her life, Iris has been confined to her home, growing up sheltered and in solitude.

One day, she was married off to a neighboring country, but there was no freedom and even her life was in danger.

Little Iris had a thought.

-- It's not that she wanted to live.
She simply just didn't want to die.

A Little Iris

Narcissu: The Beginning and The End

STORY

The 1970's.

The protagonist's family runs a small nursing home.

In middle school, he becomes close to his classmate Yoko.
She even starts coming to his home.

As time goes by, the two of them start to question.
... Why is it that people only repeatedly go between the hospital and "here".

-- The third time is always the last.
There is no fourth.

The story of how the 7th floor came to be.

This is where the rules were born.
Rules that continue to be passed down to this day..
